The "solid south" may be bro-
ken in Louisiana. The Roosevelt
forces claim that the Democrats
failed to file within the specified
time the candidates for electors
in three districts of that state.
The Bull Moosers tried the same
thing in this state, but they made
their claim most too soon. The
Democrats, by quick work, had
time to get from under.

Today the words "conserva-
tive" and "progressive" are in
constant use. We should rem-
ember that all progress is not
necessarily right in itself, nei-
ther is all standing still real con-
servatism. The wise man will
not be confused by the use of
terms that may mean many dif-
ferent things, but will be conser-
vative or progressive in each in-
dividual instance as his best
judgment shall indicate.

Strayed or Stolen.

One dun colored but-headed
cow, marked, smooth crop and
split in one ear, smooth crop and
under-cross back in other; also
one red colored heifer calf, un-
marked. Strayed or stolen from
my place in Chipley. Finder re-
turn to me and receive reward.

Why buy a wagon and go off
hoping you have got a good one.
Buy Studebaker's and the ques-
tion is settled. Sold by Dunn-
Coleman Co.

The Misses Richardson can
please you in any kind of millin-
ery you want.

Are you among the "near sight-
ed" crowd that can't see and
have to be "sighted."

Will you come to our sale and
take a peep? We will be glad
to "sight you."
